ULMER MALT BEER is a Dark, Rich Nu-
tritious Brew.

The Colonel Says:

A red-haired man, in a restaurant recently, evinced much mirth at the sight of a gentleman nearby with a pate as hairless as a billiard ball. Finally he asked of the gentleman with the undue exposure how he had lost his hair. His mirth ceased suddenly—when this answer was flashed back: "It was red, sub, and I pulled it out". Never be so inquisitive, sub, though at times such a tendency is a good one. That time, sub, is just before you take a drink. Insist upon seeing on the label the stamp of excellence—
